King David Academy is a Christian-founded school where the church is a must and an English Bible is obligatory to every student. While at King David Academy, English speaking is compulsory.

The school demands **high Discipline standards**, a **high sense of Responsibility**, and **Academic excellence** from a student. These are some of the pillars that make King David Academy one of the best schools in Rwanda and across the region.

It is a mixed International School that offers different Curricula with extra international packages like **ICDL, SAT, STEM programs through mathematics and Robotics, and DELF.**

The school offers the following Programs;
