King David Academy is a Christian founded school where church is a must and an English Bible is an obligatory to every student. While at King David Academy, English speaking is compulsory. The school demands **high Discipline standards, a high sense of Responsibility and Academic excellence** from a student. These are some of the pillars that make King David Academy one of the best schools in Rwanda and across the region.

It is a mixed International School that offers Cambridge, BTEC and REB Curricula with extra international packages like **ICDL, SAT, STEM programs through mathematics and Robotics and DELF.**
